Subject: **Consular Employee**

Dear Hiring Committee,

I am excited to apply for the Consular Employee position with the Consulate General of Switzerland in San Francisco. As a dual U.S. and German citizen, fluent in both English and German, I bring extensive administrative experience in highly regulated environments and a strong commitment to providing accurate, professional, and courteous public service.

My career includes six years with the European Central Bank, public-sector experience supporting the City of San Jose, and emergency management training through FEMA's National Emergency Training Center (NETC) in Emmitsburg, Maryland. These experiences, together with roles in banking, healthcare, and global technology organizations, have strengthened my ability to work within structured procedures, safeguard confidential information, and make fair, well-documented decisions while managing competing priorities.

Throughout my career, I have reviewed high volumes of requests, coordinated with diverse stakeholders, communicated effectively with people from different backgrounds, and consistently delivered high-quality service under demanding deadlines. I am proficient with Microsoft 365, learn new systems quickly, and take pride in accuracy, discretion, and professionalism.

The opportunity to support Swiss citizens and visa applicants while representing Switzerland is one that genuinely appeals to me. I would welcome the opportunity to contribute my administrative experience, multilingual communication skills, and dedication to public service to your team.

Thank you for your consideration. I look forward to discussing how I can contribute to the Consulate General of Switzerland.

Sincerely,

Cyrus Shahriari
